Hong Kong Society for Simulation in Healthcare Annual Scientific Conference 2018 6th Announcement

To whom it may concern,

It is with great pleasure that we announce the 2018 HKSSiH Annual Scientific Conference, to be held on 20 – 21 October 2018. Doctors, nurses, allied health professionals, educators and all other professionals interested in simulation are invited to join us for this important event.

This year, the theme of the event is “Simulation for Healthcare and Beyond”. Our main programme will feature local and international experts from various fields, including Hospital Authority, local universities, Fire Services Department and Government Flying Service to share with us the use of simulation in different settings. During panel discussions the audience will have the opportunity to engage in an interactive exchange with experts on simulation.

We also welcome abstract submissions for free paper presentations and the poster exhibition.

Details and information about the 2018 HKSSiH Annual Scientific Conference are now available on the conference website at <http://hkssih.org.hk>

We look forward to seeing you in October 2018!

Dr. Albert Chan, Dr. Shirley Ngai, Mr. Peter Lai
Co-Chairman of 2018 HKSSiH Annual Scientific Conference Organizing Committee
