

## 2017 HKSSiH Annual Scientific Meeting (ASM)

9 Sep 2017 (Sat) 0830 - 1330

Time	Versailles 1 (280)					
0830 - 0900	Registration					
0900 - 0930	Welcome address by Conference Co-Chairs and souvenir presentation to plenary speakers					
0930 - 1000	HKSSiH Chairman plenary 1 – Dr. Tim Brake (Hong Kong) – Role of Emotion in Simulation					
1000 - 1030	tea break and visit exhibitor					
Venue	Versailles 1	Longchamps 1	Longchamp 2	Luxembourg III	Luxembourg II	Luxembourg I
Track	Assessment	Debriefing	Standardized patient	Free paper / show case	Technicians	Prehospital Sim
Format	Expert panel	Workshop	Workshop	Presentation	Workshop	Presentation + workshop
Seats	280	36	36	60	36	36
1030 - 1200	Assessment by Simulation: Experience from <ol style="list-style-type: none"> <li>1. Allied Health</li> <li>2. Anaesthologist</li> <li>3. O&amp;G</li> <li>4. Surgery</li> </ol>	Difficult debriefing	Acting: The process to “standardized” the role play	Six Free paper oral presentation	Simulation AV system boot camp : Audio issue and system trouble shooting	Prehospital Simulation via Virtual Reality
1200 - 1300	visit exhibition / Lunch					
1300 - 1330	visit exhibition / HKSSiH AGM 2017 (2017 – 2019 Council appointment)(for members only)					

9 Sep 2017 (Sat) 1330 – 1700

Time	Versailles 1 (280)					
1330 - 1415	Plenary 2 – Prof. Debra Nestel (Australia) –Benefits and challenges in a national approach to faculty development for simulation educators: Experience from Australia					
1415 - 1500	Plenary 3 – Dr. Bill Chan (Hong Kong) – Develop simulation and create buy-in for Paediatrics doctors and nurses: experience from 4 years journey					
1500 - 1530	Tea Break and visit exhibitor					
Venue	Versailles 1	Longchamps 1	Longchamp 2	Luxembourg III	Luxembourg II	Luxembourg I
Track	Education	Debriefing	Standardized patient	Technicians	Research	Prehospital Sim
Format	Expert panel	Workshop	Workshop	Workshop	Presentation + workshop	Presentation + workshop
Seats	280	36	36	36	36	36
1530 - 1700	Technology advances in medical education (simulation/ Flipped classroom, VR/ AR application)	Enhance your debriefing through self, peer and student feedback with the use of the DASH	Standardized patient Workshop	The sim must go on ! diagnose, manikin repair and trouble shooting.	Video recording system as a research data collection tool	Prehospital Simulation

10 Sep 2017 (Sun) 0900 - 1300

Time	Versailles 1 (280)					
0900 - 0945	Plenary 4 from Prof. John Schaefer (United State) – Data driven simulation					
0945 - 1030	Plenary 5 – Dr Chen Chi (China) –Simulation Education in Chinese Residency Training Program					
1030 - 1100	Tea break and visit exhibition					
Venue	Versailles 1	Longchamps 1	Longchamp 2	Luxembourg III	Luxembourg II	Luxembourg I
Track	Nursing	Debriefing		Scholarship award	SP / Technicians	
Format	Expert panel	Workshop	Workshop	Presentation	Workshop	
Seats	280	36	36	36	36	36
1100 - 1230	New Era of Nursing Education : Simulation CUHK HKU OUHK Poly U Tung Wah	Difficult debriefing (Identical class of 9 Sep morning)	Workshop by Prof. John Schaefer (topic pending)	1. Dr. Tony Chan TN 2. Ms. Joanna YEUNG 3. Dr. So Hing Yu	Theatrical moulage for trauma simulation	How to operate a Simcenter ? Culture Changing En Route
1230 - 1300	Closing summary & Lucky Draw - Versailles 1 (280)
